**Subject:**Re: Live AD California Payment Notice - 12/22/2008

**Date:**Mon, 22 Dec 2008 21:30:21 -0800

**From:**beth <beth@ireli.com>

**To:**Viva Payments <payments@gimmeviva.com>

**References:**<060d524a74fe0e97616791de001f2d46@gimmeviva.com>

There is a total of over \$13,000 due to me. When am I going to get the rest of my money? Who is determining what the payments are? When are all of the funds due me from September until present going to be paid and how? At what point is a wire transfer going to be instituted? You don't even have the information for the wire transfer to my account. Are you going to pay me the cost of accepting the wire transfer.

Dear Beth,

This is a notice that your payment from Live AD California has been assigned to a third party for payment due to the dissolution of Live AD California and the merger of some of its assets into a new company to be disclosed during the week of January 1, 2009.

If you have not received either your termination of employment or your assignment agreement, you will receive one this week via electronic and USPS mail. You may also contact your immediate supervisor for questions if you do not know where you will be terminated or assigned to the new company.

**If you have been assigned to the new company, your payments will be processed as a first priority this week with processing as quickly as possible along with our new executive team.**

If you have not been assigned a new contract or if your contract has been terminated, your payments due for the time period of November 2008 for the amount of \$4596.49 shall be paid via electronic wire during the week of 12/29/2008 to wind up the dissolution of the company by 12/31/2008. This amount includes your payment minus the applicable taxes.

We are working to make payments sooner if possible. The last week of December is when we can be sure of payment.

Should you have any questions, you can feel free to email [payments@gimmeviva.com](mailto:payments@gimmeviva.com).
